- Legally bound
- Signed, but not legally bound
- Unsigned
- + Click to see more information on country's internal displacement

The figures above reflect people internally displaced due to conflict based on IDMC monitoring in 2011, but does not include those internally displaced by other causes including natural disasters or development projects. The Kampala Convention comprehensively includes all causes of displacement.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by IDMC. IDP figures are taken from IDMC's Global Overview 2011.
